PAVERS

Market demand is moving from wood and composites to a new category of low maintenance decking. With stain and scratch resistance that makes life on the deck easy and a broad palette of shades to complement any exterior, AZEK Deck is the smart and beautiful low maintenance decking.

And, with over 25 years experience in cellular pvc manufacturing, AZEK Deck is no stranger to better performance. Manufactured in the USA, AZEK has invested years of technical expertise to develop decking that is...designed to last beautifully.

MOMENTS *lasting* MOMENTS

Focus on the moment. Let life's crazy pace melt away and forget about deck scratches, stains and even splinters. This moment is for enjoying, not worrying.

PLACES

Hard work deserves just rewards. Reward yourself with the special place you have always envisioned. A refuge. An escape. A sanctuary. An AZEK Deck.

FRGoodENDS

Impromptu gatherings and casual get-togethers are made even easier with a low maintenance AZEK Deck. It's always ready for entertaining.

DECK COLORS

AZEK Deck is available in a variety of colors and grains to suit every taste and complement every exterior. Simply choose the AZEK Deck color that works with your home to create your unique outdoor environment. Then sit back and enjoy.

Arbor Collection®

Cobre®

Silver Oak®

Morado®

Redland Rose®

Acacia®

AZEK Deck's Arbor Collection resembles the warm, vibrant tones of exotic wood. Just imagine...the look of tropical hardwoods with the proven performance of AZEK Deck.

Unique color variations within each board are designed to emulate the natural aesthetics of exotic hardwoods.

Terra Collection

Kona®

Fawn®

Sedona*

Tahoe*

AZEK Deck's Terra Collection brings warm, earthy tones to life in four rich colors that complement any housing exterior. Enhanced grain textures set Sedona and Tahoe apart from all other decking options.

*Sedona and Tahoe Fascia are manufactured without grain highlights in order to better complement all AZEK Deck colors.

Harvest Collection®

Brownstone

Slate Gray

Clay

White

Modena®

The Harvest Collection of AZEK Deck colors offer a pleasing palette of soft shades that complement the most popular siding colors. Many of these tried and true decking colors helped establish our unquestioned reputation for superior stain, scratch and split resistance.

Actual colors may vary slightly from photographs. To request samples, go to www.AZEK.com. Depending on environmental conditions, AZEK Deck colors may appear to lighten over time as part of the natural weathering process.

FIRST THERE WAS WOOD. THEN COMPOSITE. NOW THERE'S AZEK DECK.

Stain Resistant

AZEK Deck resists staining from stubborn stain makers like ketchup, cooking grease and red wine.

Scratch Resistant

AZEK Deck resists scratching from patio furniture, people and pets even in high traffic areas.

Split Resistant

AZEK Deck resists splitting from fasteners placed close to the edge.

OUTDOOR LIVING SOLUTIONS

Turn your outdoors into a great outdoors with AZEK's Outdoor Living Solutions. Designed to enhance and expand your AZEK Deck, these two unique innovations offer a creative solution to storage and seating that is upscale and low maintenance.

AZEK Bench/Planter Hardware Kit*

A bench with integrated flower/planter boxes brings the deck to life. Easy to build bench hardware kit utilizes AZEK Deck boards to construct a bench with two integrated flower/planter boxes. Choose the color for your AZEK Bench to match or complement your AZEK Deck or AZEK Porch.

The full bench/planter assembly at maximum length measures 10 ft. 7 in., providing up to six feet of seating area. The sturdy bench, adjustable to 4, 5 or 6 ft., can support up to 750 lbs to make this the perfect addition to any deck. And the planters can be used individually or as part of the bench assembly.

Hardware for the bench and the planters is available in two finishes - Titanium and Bronze. You simply choose the AZEK Deck boards in the color of your choice for the bench and the planters.

AZEK In-Deck Storage Kit*

Are you tired of trying to find a place to safely store furniture cushions and covers, umbrellas or other deck items? If so, the AZEK In-Deck Storage Kit is the perfect way to lose the unattractive deck storage boxes and reclaim the deck space to expand your outdoor living area. This highly functional, attractive and concealed storage solution presents a uniquely creative and integrated use of space on an AZEK Deck. You can use this clever storage system to hide anything from deck umbrellas to lounge cushions.

Measuring just over 6 ft. long and holding 17.5 cubic feet of storage space, the AZEK In-Deck Storage Unit has been designed with safety in mind. The gas-assist hinges make lifting the lid easy and the locking mechanism can only be engaged from outside using a key.

The kit hardware is available in two finishes, Titanium and Bronze, to complement any AZEK Deck color.

Seeing a traditional porch often brings back memories of a simpler time. A warm breeze, a front swing, and a cold glass of lemonade. With today's architectural trends, that traditional front porch is making a comeback, but without all the work. AZEK Porch, in five popular shades, gives the upscale look of a traditional porch, but resists everyday stains and scratches.

Built to handle the high traffic that any porch encounters, with AZEK Porch you'll make a great first impression...that lasts long beyond the first day.

HOME
welcome

Greet your family and friends on a porch that is pleasing to the eye and yet durable. The smooth tongue and groove surface offers a surface befitting the raves of your neighbors.

PLEASE *relaxing* PLEASE

Sit back and enjoy the lasting beauty of an AZEK Porch. While the seas roll and the sands shift, AZEK Porch will stand the test of time gracefully with minimal upkeep.
